## *Rochester Lions President's Message.*

To all Lion members who were not able to attend the meetings in October, you missed some very interesting times! Our theme was Halloween and was highlighted during our second meeting by a request to wear a costume or something out of the ordinary. It created an interesting element as we had our District Governor, Lion Jack Patton and his wife, Charlotte, in attendance. I did alert him prior to the meeting so he didn't think we've all lost it. Unfortunately, I was not aware that our PDG John Bingham would also be in attendance so his entry into the room included a very puzzled look. I was especially proud to have DG Jack induct our newest member, Amanda Swann. He told me afterward that he had planned on hammering the importance of getting new members during his visit, but felt it awkward given the circumstances. Yea! For us!

The speakers during October were excellent with the focus on health issues. Thank you to Lion Connie and Lion Paul for making the arrangements. So now, we move into November. Kris Kringle and the Christmas parade are rapidly coming upon us which means the weather is getting colder. That's the bad news. The good news is that elections will be taking place early in the month and we'll be able to get back to good old fashion commercials every ten minutes by attorneys rather than politicians.

Hope to see you at the November meetings and don't hesitate to bring a friend to show them what we are all about!

President Steve

District Governor Jack Patton, Prez Steve and our newest member Amanda Swann

October's theme was "Wear your favorite Halloween Costume". Lions Bruce, Bill and Celia were among the participants.
