HERITAGE ROD & CUSTOM CAR FESTIVAL

Welcome!

The Rochester Lions Club and the Greater Rochester Area extends a warm welcome to the annual Heritage Rod & Custom Car festival, an event for the whole family. In addition to our show there are other events in the park today for your enjoyment - the annual Greater Rochester Heritage Days with many crafters and historians throughout the park, and on Sunday, May 28, the Festival of Cars.

- **Voting:** Only Car owners of vehicles registered are eligible to vote for awards.
- **Ballots:** Please turn them in by 1:00 p.m. at the D J Tent
- **Awards:** Approximately 4:00 p.m.
- **Trophies:** Outstanding & Best Awards for each class and special awards: The Pride of the Rochester Lions, The Leader Dog Pick of the Litter, and Best of Show. The awards will be presented at the D J Tent. All winners should be present to receive their awards. If you cannot be present, please make arrangements for a delegate to receive your trophy.
- **Dismissal:** For participants' and spectators' safety, all vehicles are discouraged from leaving the show until its conclusion. The park exit gate will open at that time. If you must leave for some reason, please contact the D J to get Show Staff Members to help safely escort your vehicle from the show.

We wish to thank our sponsors for their generous support, which made this show possible. Please give them your patronage, and let them know you appreciate their spirited interest.

In addition to our sponsors, special thanks go to:

Festival of Cars "Founders Award" in honor of Ted "Roy" Cram

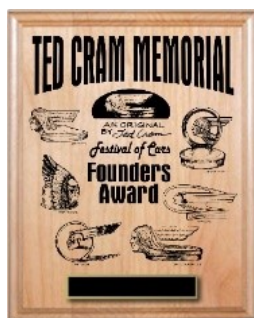

Ted was a Graphic Artist who worked for one of the local Ad Agencies for many years. Because of his training and eye for detail, we found it fitting to award this trophy in his honor to the person who presents his/her vehicle with the qualities Ted would have looked for. Those are as follows:

- Ted loved things as they were meant to be true to the original design. So, we are looking for a vehicle that is time and date specific, original, as it was.
- Ted was a stickler for detail: So that is what your vehicle must convey. Paint, cleanliness, and lots of attention to the little things.
- Lastly, Ted loved the story; how you got it, what you have done to it, what you have had done to it (Ted knew that everybody did not have his talent and or patience, so the next best thing is money). We will pick the top 3 from the first 2 categories and then we will interview them to choose the recipient of the Fifth Annual Founders Award.

Ted shared your passion and love for the history of the Automobile. That is why he and his friends started this show in 1979. His family is honored that you have chosen to present your vehicle in hopes of receiving this award in his honor. Ted was truly one of the "Great Guys".

The Ted Cram Memorial Founder's Award is sponsored by *Ducharme Chiropractic*

Shannon Columb at Summer Experience Camp

At two years of age, Shannon was diagnosed with Retinitis Pigmentosa. The resulting night blindness and narrow field of vision may have temporarily slowed her down. But a week of Summer Experience Camp strengthened her resolve to go to college where she's now taking on life at full speed.

Summer Experience Camp is a life-changing learning program for teens ages 16-17 who are legally blind or visually impaired. It combines summer activities with independent travel skill and leadership training. With your help, we combine the summer of a lifetime with skills that last a lifetime.
