## Lions International Peace Poster Contest Update

*Lion Dave Bates reports* that students from the Rochester area participated again this year in Lion Internationals Peace Poster Contest, locally sponsored by our Rochester lions Club. This is an annual international competition open to middle schoolers. Competitors were to draw a poster of their own design with this years' theme of "give peace a chance".

Entries were displayed at the Rochester Hills Library during the end of October.

West Middle School was well represented locally and the results reflected their involvement. Judges selected three posters for award. Winning first place was Jennifer Choi. Second place went to Jeremy Schankin and third place to Taylor Lane. Winners were awarded prize money and certificates.

Jennifer Choi's winning poster was forwarded to the Lions District 11-A2 competition where the winning posters for Oakland and Macomb counties will be judged. Ultimately, one Grand Prize winning poster will be selected from twenty-four international finalists from an initial field of 325,000 posters which have been submitted in this annual world wide competition. The winner will be awarded \$2500 at a ceremony at the United Nations in March.

## Christmas Card Sales

From the Desk of Lion Past  
President Carlos Gallusser:

Fellow Lions: Believe it or not Christmas is fast approaching! We need to contact local merchants, Banks, Corporations for direct sales of our cards. Lions can also pick up Christmas Card Brochures at Leader Dogs on Avon Rd.

Lions Celia Domalewski, Don Pihl, Bill Sefcik, Frank Mulholland, and Sandy Pihl are on the Card Committee and can assist with cards and brochures:

As the Christmas Card Chairman I would like for all of those on the committee to find at least one location in the Rochester or Rochester Hills area to sell our cards at or place brochures out at.

Each Rochester Lion can be supplied with 6-12 packs of cards during and upcoming regular meeting. If each Lion follows through we should see and increase of around \$5,000-\$10,000 per year.

ALL LIONS ARE INVITED TO PARTICIPATE IN THE CHRISTMAS CARD PROJECT.

Gracias, Lion Past Prezidente  
Carlos

## Monday, January 17<sup>th</sup>

Our regular General Membership meeting night will be a Family Night---- We will be attending an Oakland U Women's Basketball game at 7:00 PM in their great facility on campus. Arrangements for food and other details are being worked out by Lion Celia at this time, so stay tuned for more info. The Grizzlies play their conference rivals UMKC that night (three pointer if you know what college that is). The team is already 3 and 1 for the season with wins including against Central Mich and the U of SF. Sophomore Nicole Piggott had a carrier best night with 37 points to lead OU to an 82-65 victory in San Francisco this week.

This will be a fun family night!

Check out the November 2004 Lion Pride magazine that is mailed to all members. Featured on page 6 is a great article entitled "Rochester Lions Provide a Telesensory Machine". The article goes on to tell how Ms. Helen Fink was loaned a machine by the Rochester Lions Club that now enables her to read books etc. and view pictures of her grandchildren something that she has not been able to do for sometime. Great recognition for our club.

**And Good News  
From Lion Dennis Scott:**

As you may be aware the club has decided, after a few years rest, to raffle a car in the coming year.

The motor vehicle of choice was the new Mustang and Ford Motor Company has agreed to assist our club in raffling one off. Ford will assist in marketing, a loaner vehicle and other means.

*More info to come but it will be an exciting year for the club next summer. Lion Dennis also thanks Lion Dave Padilla for his assistance.*
