Rochester Assistance League of Southeastern Michigan Awarded Lions Club Grant.

The Assistance League, through its Operation School Bell, provides clothing to less fortunate children in the Rochester area. An on-site "shopping" experience allows children to select **new** clothing for the coming school year. The goal for 2005-06 is to serve 200 children.

Rochester Lions Club President Gary Senical presents the Wallace M. "Doc" O'Brien grant check for \$1000 to Janet Trimbath of the Assistance League of Southeastern Mich.

June Meetings are the 6th and 20th.

News from "White Cane AI"...

WHITE CANE WEEK BRINGS IN \$20,625

Despite the not-too-favorable weather, 35 Lions, or 44% of our membership, were out there collecting. The (tentative) total tops last year by \$436.40. Membership participation was 51% last year and 61% in 2003. Of our Leadership team, 80% (12) were out there.

"Our Lions Club is very fortunate to have the Leader Dog School in our community, and to have the CEO as a member of our club.

The citizens of Rochester and surrounding areas are very generous and recognize our club and the Leader Dog School. All we have to do is collect the money.

Please reserve your place for the 2006 effort now."
