Good Bye, Skip. We shall miss you.

Lion "Skip" Coatsworth left us on December 27th. His perpetual smile and energetic enthusiasm will be sorely missed. It seems it will take more than one person to take his place in our club, considering the amount of work he contributed.

Shortly before his death, Lion President Celia presented Skip with a tribute of appreciation which reads as follows:

The Rochester Lions Club, board and members, are proud to present this plaque of appreciation for your devotion to the tenets of Lionism and to the camaraderie of our Lions family. There are few who can compare in the line of service to the Rochester Lions Club.

It is our fervent wish for you to be able to join us again in the many projects we support. We pray for your good health and well-being. May you know the peace and joy of this holiday season.

We hold you in the highest regard.

*Celia Domalewski, President
for the Rochester Lions*

We hold Skip Coatsworth as an exemplary example of what it means to be a Lion and a living illustration of our motto; We Serve."
