Club Meets 6:30 pm-1st & 3rd Mondays of Each Month at the Riverc Cest Banquet Facility

The President's Message

Our Rochester Lions Club had a real lesson in LIONISM at our last regular meeting in July. As all of you know, our club held the regular meeting at the Lions Bear Lake Camp (north of Lapeer) and at this time the camp had the Vision Impaired Kids doing their camping. This was something to see as these kids were camping (a lot of them for the first time) and were acting like normal kids at camp (with the help of the camp staff). We had 22 members and spouses at this meeting and the dinner was good. We had assistant Director "MIKE" that took us all around the camp and he did an outstanding job. If you did not make this meeting, you missed out on something real special. As a LION member, you can be real proud of this camp as we have it today and extra proud of the job that all of the staff do for the kids that come to camp.

First off, I want to thank 2nd Vice President Kathy Gladd for the job that she is doing. She has taken on the Food Trailer as the Club project and she is doing a great job on this. The most important job that Lion Kathy is doing is that she is writing the Club Newsletter again this year. This newsletter is one of the most important things that we have as it will allow the membership to know what is going on and what we all need to do and at what time. The newsletter is what makes our attendance as high as it is when the membership can see that we are having a meeting and what the program is and all the information needed. I thank Lion Kathy for all of this and it would be nice to tell her how good of a job she is doing.

We also would like to see you and your spouse or girlfriend or boyfriend or all of the listed at our Annual Club Picnic that is going to be our regular meeting on August 2nd. This is a time to bring your dish to pass and to have a good time with all of the Rochester Lions Family. If you can help out on the working part of this picnic, give Lion David McKenzie a call and he will advise you on what he needs. We look forward to seeing you at the picnic.

I want to also thank Dennis Scott for all of the work that he is doing in this NEW LION YEAR. Dennis has set up and ran the "Concours d'Elegance of America" that has received a lot of good PR on the TV and around. He is also setting up the Rock-n-Rods Car Show that will take place on Sunday, August 15 TH. This is the time that we will need all the help that YOU can give on that day. There will be a sign up sheet at the Club Picnic and also at the Board meeting. We need a lot of Lion Members to do several jobs and we sure hope that you can help out. This one of the biggest car shows around the area and the Rochester Lions Club can be very proud to be a part of this project.

As I close for this month, I again would like to ask all of the membership to attend the Board Meeting that is held at Leader Dog School. The meeting is at 7:00 PM and it will be held on Monday, August 9 TH. You will get to see your Lions Club in action at the working part of the Club.

Yours in Lionism
President Jim
