Club Meets 6:30 pm-1st & 3rd Mondays of Each Month at the River Crest Banquet Facility

President's Message — July 2011

We had a very meaningful installation night on June 20th. Thank you Lion Celia for coordinating the event and making sure we all enjoyed a delicious meal. Another big thank you goes to

our outgoing President, PDG Lion Jim and our club leadership team for a special year just concluded. Thank you Past International Director Bill Hansen for doing our installation.

It was awesome to sit in the budget session the other night and reflect on all this club shares in this community and the world. I appreciated taking a few moments to look at the Lion's Room at the community House and to hear the comments of those who were served by our club at the Sunday evening meal on June 19th.

I was asked to supply a few notes on my background.

I served as President of the Lions Club in Lewiston Michigan. I also served as club Secretary for about 8 years. My Dad served as Secretary of the East Side Detroit Lions Club for a number of years and I was privileged to attend one of their meetings at the Whittier on the Detroit east side during his tenure.

My background includes serving a congregation in eastern New York state for about 8 years and a congregation in Lewiston Michigan for 28 years. Upon retirement, I shared duties at St. John, Rochester, St Peter, Macomb and several other area congregations.

A graduate of Michigan State University, I served in the U.S. Navy for 3 1/2 years, taught a year in San Diego California and graduated from Concordia Seminary in Springfield, Illinois. I have been married to my wife Lorraine for 45 years and have two daughters and a son living and working in the Detroit area. I look forward to a meaningful year with our Rochester Club.

Your President, Glenn Sattelmeier

Installation Banquet 2011-2012

Thanks for a GREAT 2010-2011

Todd Minbiolo Memorial Scholarship Winner

Clay Chandler of Stoney Creek High School received the 2011 Lions Club Todd Minbiolo Memorial Scholarship at a presentation ceremony at Stoney Creek High School on Tuesday May 24th. Clay has an interest in automotive technology, which he plans to study at Universal Technical Institute in Illinois. He was photo editor for the school newspaper, team captain of the Rochester United Lacrosse Team and runs his own mowing business. We will invite Clay and his family as well as Barbara and Craig Minbiolo to attend a regular meeting in the near future in order for our club to formally recognize this achievement.
