WE SERVE

Lion Celia Domalewski receives the President's Volunteer Service Award at the April Cabinet meeting.

Lions David Bates, Jim Leach, Dennis Scott, David McKenzie, and Bob Treppa along with Walt Kowalczyk for his service supporting the Rochester Community House, Community Kitchen, and Bill Claussen for volunteer mission work at Crown of Life Lutheran Church will be featured in the May newsletter

The History of the President's Volunteer Service Award

America has a long and proud tradition of volunteer service. Now more than ever, volunteers are renewing their commitment to helping others and making new connections that bring us closer together as families, as neighbors, as communities, and as a Nation

The President's Council on Service and Civic Participation (the Council) was established in 2003 to recognize the valuable contributions volunteers are making in our communities and encourage more people to serve. The Council created the President's Volunteer Service Award program as a way to thank and honor Americans who, by their demonstrated commitment and example, inspire others to engage in volunteer service.

Recognizing and honoring volunteers sets a standard for service, encourages a sustained commitment to civic participation, and inspires others to make service a central part of their lives. The President's Volunteer Service Award recognizes individuals, families, and groups that have achieved a certain standard—measured by the number of hours of service over a 12-month period or cumulative hours earned over the course of a lifetime

We are proud to announce that eight of the Rochester Lions Club members received this prestigious award on Sunday April 15 in conjunction with national volunteer week.

Region Chair, Lion David McKenzie presides over the April Cabinet meeting at River Crest.

To his far right is incoming District Governor Jim Pettinato and to his near right is the present District Governor Bob Bobee.

You will learn more about their roles in a future issue.
