Rochester Lions President's Message.

The fall colors were spectacular today on the golf course. Mother Nature is on full display. Just because we are moving into the winter months or what used to be considered the "dark months", there are many events and projects that will keep us busy. There is an array of things that offer opportunities for everyone to participate.

First we have the "Holiday Parade" float. Lion Don Westphal has some great ideas for another award winning float. This is a great way to have some fun and to put the Rochester Lions Club on display for the Rochester community.

Second, we will be hosting a warming tent and Santa Clausen at Kris Kringle on December 2nd & 3rd. We will need 7 or 8 people per shift. A sign up sheet will be passed for members to volunteer.

Third, I am looking forward to our dinner and tour of the Canine Development Center on November 7th. We will be gathering at the Polk Residence Center at 6pm. We will tour first and then have dinner afterward. Lion Celia Domalewski was instrumental in organizing this affair.

Finally, we have been notified by the Rochester Chief of Police that we can no longer solicit in the streets for White Cane. Apparently this activity violates state law. This makes the job harder for this major fund raiser.

Whatever, we will continue to the extraordinary job we do to help those less fortunate than ourselves. Thanks to all of you for your service.

Yours in Lionism, Lion David

P.S. Don't forget to set your clocks back 1 hour on Saturday night/Sunday morning.

Happy Birthday

Lowell Gladd	Nov. 21
