Rochester Lions President's Message.

Fellow Lions,

Congratulations on a very successful car show as Rockin' Rods was a huge event and a credit to our club. The weather was fantastic, we had 388 cars show up and most of them were spectacular! Bill Clausen and Celia Domalewski did a fantastic job of organizing the event and they deserve a big thank you from the club! Early results show the club will make a very substantial profit with the final tally likely coming this week. There was an amazing turn out of Lion volunteers who did a great job of supporting the event. I talked to at least fifty car owners and the unanimous verdict was that the show was terrific with lots of sunshine, cars and foot traffic.

In addition to the car show, Sunday also marked the completion of the Mustang Raffle and we sold all 750 tickets, which is a new Rochester Lions Club record! What a job by Celia and Dave McKenzie to put this together and devote that many weekends to attending shows and selling tickets. In addition, Larry Cole was terrific following up on all of the transactions and keeping the books on this event. Finally, we have to mention the ticket selling machine that is Bill Hansen. He was very instrumental in making that final push to a sellout. What a huge success! With this fund raiser our club will be able to meet all obligations towards our \$75,000 pledge for the kennel expansion project and deliver a year early.

Next up is the Golf Outing so look for an opportunity to fund raise by signing up, selling tickets or volunteering to work the outing when the signup sheet is completed.

Sincerely,

Lion Brett
