Home Club of Leader Dogs for the Blind

Rochester Lions President's Message.

Fellow Rochester Lions,

I have lived in Rochester Hills for 14 years. My father Basil was a long time Lion. After he passed away, I decided that I needed a charitable activity in my life so I looked online for a nearby Lions club and I discovered rochesterlionsclub.org. That led me to become a Rochester Lion not realizing that there actually was a Rochester Hills Lions club.

Since that time, I have come to know that there are two clubs and I always wondered why that is since in many ways the two towns frequently act together as one harmonious community. The Rochester Hills Lions Club has reached out to our club and has offered to conduct a joint meeting with the two clubs and I have agreed.

On Monday, May 21st, at River Crest, the two clubs will have a joint meeting with a speaker to talk about an important topic, diabetes. Our clubs will come together to meet and greet and possible begin the process of working more closely together in what I eventually hope will be an effort to join the clubs together into one single powerhouse of a club. Perhaps we could call it Greater Rochester Lions. This move may help both clubs address issues such as generating more manpower to help out with fundraisers and showing a stronger more unified community.

Although this is just a first step and may not lead to anything more, I hope you will consider joining us on Monday and showing some hospitality to our friends from the Rochester Hills Lions club. Hope to see you there.

Yours in Lionism,

Lion Brett
