Rochester Lions President's Message.

To everyone who helped with Rockin Rods n Rochester car show....CONGRATULATIONS!! Blessed with good weather, co-chairperson of the event, Lion Celica Domalewski gave a preliminary report at the August 20th meeting that this year's event was a great success.

August was also exciting with the installation of a new member, James Roe, and a number of quests at both meetings who are considering membership into the Rochester Lions Club.

We now get to turn our attention to the annual golf outing. It's coming up on September 27th at Twins Lakes Golf and Swim Club. Please consider joining us on that day as a participant golfer, sponsor or on the course worker for some of the contests taking place during the tournament.

After that, we have breather until the Hometown Parade and Kris Kringle in early December.

Of course, rather than sitting back, it would be in everyone's best interest to continue to work on ideas for fund raising activities that (a) aren't weather dependent, (b) don't require tons and tons of Lion hours to produce and lastly, (c) is a fun activity for everyone associated (both Lions and non-Lions) with the event. Also, it would be better yet to think about someone who could be invited to attend a meeting to see if serving others as a Lion is in their calling. The larger the number of members in our club, the more we can accomplish.

President Steve
