## Rochester Lions President's Message.

February has been a quiet month (except for the weather) as far as activities in our Lions Club goes. It's nice to have a breather once in a while to rebuild our energy for upcoming events.

We all know spring will come (never soon enough) and we get to warm up in March with our Wine Tasting at River Crest. I encourage everyone to promote this event to friends and family. It's a great event for our club as our efforts are minimal and the weather is not a factor (except for a possible snow storm of epic proportions). The more people attending means a greater amount of fund raising which could be important should a future outdoor event meet with less than desirable weather.

March also brings about our election of officers for the 2019-2020 Lion Year. It's difficult to express just how proud I am to announce we will be voting on a complete slate of officers. This has not always been the case. Those who have stepped up and thrown their hats "in the ring" are to be commended.

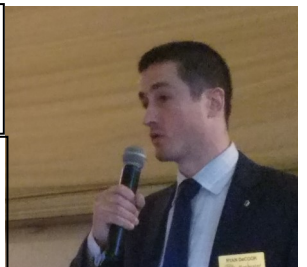

Frankly, though, we shouldn't be satisfied with only one choice at each position. Everyone in the club should view the opportunity to improve our club as an honor and be excited to take part. During this coming year, think about how you would like to see our Lions Club operate and step up next February to **serve** both inside and outside of our club.
