## *Rochester Lions President's Message.*

Fellow Lions,

These are very strange and trying times. Not only are we battling a pandemic, we are also involved in racial protests. One at a time is a test but both at the same time is very unsettling. I fear a rush to resolve these monumental problems will produce uneven and incomplete solutions.

But, life goes on, and we need to proceed cautiously but we need to move forward. The club has been hit and consequently our charities have been affected. We were only able to give approximately 75% of our normal contributions.

Lion Kathy Gladd had the brainstorm of collecting returnable bottles and cans. She advertised through social media that the RLC would take to returnables and has been deluged with them. Lion Bruce MacGregor has also taken up the mantle with the same result. But this has created a problem. They need help sorting the bottles and cans. Please, if you have a few hours to help them, give them a call.

I want to thank all that have contributed "Happy Dollars" to our charities account. You have donated a total of over \$2000. Thank you, Thank you, you've made a difference.

We should note that the July regular meetings have been pushed forward to July 13 and July 27 due to independence day, July 4th falls on a Saturday.

We have instituted a requirement to wear a mask during the social time. There will be masks available at the door for those who forget to bring one.

Yours in Lionism
