Classic Cars fill our parking lot very weekend. About 100 guys that just love cars, food, coffee, and the camaraderie connect at the Rochester Hills Ram's Horn every Saturday morning.

Family Restaurant of Rochester Hills rocks you back to the grooves, cruisers, and fun of the 1950's! Ram's Horn is a rockin', car-inspired restaurant that feeds your appetite while taking you down memory lane.

Even if you traded in your cherry red, four-in-the-floor, rubber-burning hot rod for a mini-van long ago, you can still relive those happy days here with us at Ram's Horn. Even though we're at the corner of Rochester and Hamlin Roads in Rochester Hills, when you pull into Ram's Horn, it's like you just pulled off Route 66. Come and get your kicks with us 24 hours a day.

Our smoke free dining room surrounds you with old-fashioned 50's diner atmosphere and, of course, lots of classic car memorabilia. Come savor the comfort food you love and remember the good times here at Ram's Horn Restaurant.

Ram's Horn of Rochester Hills puts the "good" in "good morning" a couple of ways. First, of course, it's our great food. Second, every Saturday morning, the Breakfast Club meets in our parking lot and it is the day to meet with, talk with and enjoy classic cars. Great rides and their owners are everywhere and you can come and talk parts, trades, paint jobs, and those perfect cars of the past. Join us for the Breakfast Club early every Saturday morning.

Ram's Horn of Rochester Hills has your keys to the open road with the hippest kid's meals around, served in classic, collectable toy cars that you can take with you! Whether it's a burger, hot dog, chicken-tenders, fish-and-chips or grilled cheese – all served with our delicious fries, cruise on in to Ram's Horn and collect them all today!

Every year, we match 200 people with Leader Dogs, provide 100 people with orientation and mobility training, teach 24 teens leadership and travel skills, pair 6 people who are both deaf and blind with Leader Dogs, and pass on \$0 of the cost of these services to our clients.

Funding

Leader Dog operates entirely on donated funds. The continued success of our programs depends on the generosity of our contributors and community funding sources around the world.

History

Leader Dog was founded in 1939 by three members of a Detroit-area Lions club who were unable to obtain a guide dog for a friend from any other source. The trio led the purchase of an old farmhouse in Rochester Hills, Michigan to house the training facilities. Since then, we have raised, trained and graduated more than 14,500 Leader Dogs.

Affiliation

We are a private, nonprofit agency. Though we are not affiliated with Lions clubs, Lions are a major part of our history and remain a significant part of our support and success.
